REF No: NX/GRW/2023/004

1.0. BACKGROUND

1.1. About PDRC

Puntland Development & Research Centre (PDRC) is a successor body of former War-torn Societies Project International (WSPI), which operated in Puntland during 1997–99. On October 30, 1999, the center was founded as an independent, nonpartisan, nonprofit research institute dedicated to peacebuilding, promotion of democracy and respect for human rights. PDRC is now celebrating its 20thanniversary in which the center has accumulated 20 years in research development, policy advising and educating / awareness raising.

PDRC's main office is situated in Garowe, the capital of Puntland. It has a branch office in Galkayo (Galkayo Satellite Office – GSO), the regional capital of Mudug region. The management coordinates the activities of both offices.

1.2. ABOUT THE PROJECT

The Somali Nexus Skills and Jobs Consortium (Xirfad & Shaqo) is Multiyear Development Program implemented by a consortium, is Multiyear Program led by Iftiin Foundation and in partnership with Puntland Development & Research Center (PDRC), Success Institute and City University. The Somali Nexus Skills and Jobs is a three-year program, and a second phase of a previous pilot Nexus Skills and Jobs project supported by the Embassy of the Kingdom of the Netherlands. The goal of this cross-regional program is to create realistic, sustainable livelihood opportunities for the countless unemployed youth (15-24 and 24-35 years old) living in Somalia.

The newly established Somali Nexus Skills and Jobs Consortium builds on this and their already proved experiences in implementing and managing projects. The Consortium will enable scale-up and synergies to consolidate its members' partnerships and activities through knowledge sharing and technical support for maximum coverage and impact. The Consortium will also manage and develop its own knowledge resources to source information on unemployment, and homegrown solutions, while providing capacity development to its members and partners.
